Dear Mr. Krishnaswami,

|| It is a pleasure to have a share, however humble, in the project for doing honour to Dr. V. Swaminatha Ayyar, and the inclosed cheque is its tangible expression. I only regret that my poverty forbids the giving of a larger amount; but I trust the large numbers of those who will contribute will make up for what individually we cannot do and permit the celebration of the occasion on a worthy scale.

As you know, I can make no pretensions to Tamil scholarship: but I know enough about it to know something of the esteem in which [illegible] Dr. Swaminathan is justly held and I am proud to join in this tribute to one whose longevity is as remarkable as his learning. ||

With kind regards and all good wishes for the success of the undertaking, ||

Yours truly,

Ferrand E. Corley.
